## PRESIDENT'S MESSAGE ~ LE MOT DU PRÉSIDENT

Comrades and friends,

Canada is one of the best, if not the best Country in the world to live in. Our citizens are blessed with freedom, opportunity, and a standard of living that is unrivalled in today's world, and without parallel in history. Canadians are correct to express pride in their ancestors for building such a great nation and in themselves for preserving it. However, this did not occur by chance; it is a result of tireless effort in the past that is carried on by those of today. World events during the 20th century have caused Canadians to come together as one and take up arms with our allies to defeat those that would seek to subjugate others. But, as is our nature, we are citizen sailors, soldiers and airmen who answer the call and return to civilian life as soon as the battle is won. This trait is borne out in our military history.

The determination of the members of The Royal Canadian Legion to perpetuate the tradition of Remembrance in honour of their fallen comrades is reflected in the number of cenotaphs that have been built across the country. They are to be found prominently positioned in nearly every city, town and village in Canada. Each November 11th they become the focus of the community's attention for memorial services that commemorate the citizens who answered the call to take up arms so that others can live in peace and freedom. The other 364 days a year, these monuments stand silently – a reminder of those who gave up their lives.

This "Military Service Recognition booklet" reflects the memories of those who paid the ultimate sacrifice and of those still serving. Revenue generated from this booklet will assure the continuity of many Legion programs for Veterans, Youth, and our Seniors.

Many thanks to the participating Branches and families for providing pictures in this booklet and thank you to the team of Fenety Marketing for an excellent job.

In Comradeship,

Paul Poirier  
President  
New Brunswick Command

Chers amis et camarades,

Le Canada est un des meilleurs, sinon le meilleur pays au monde où vivre. Nos concitoyens et concitoyennes sont bénis avec liberté et un niveau de vie qui est sans égal dans le monde d'aujourd'hui, et sans équivalent dans l'histoire. Les Canadiens sont corrects d'exprimer leur fierté dans leurs ancêtres pour avoir construit une telle grande nation et en eux-mêmes pour la préserver. Toutefois, cela n'est pas arrivé par hasard car c'est le résultat d'efforts inlassables dans le passé qui sont exploités par ceux d'aujourd'hui. Les événements mondiaux au cours du XXe siècle ont amené les Canadiens à se rassembler et à prendre les armes avec nos alliés pour vaincre ceux qui cherchent à asservir les autres. Mais, comme c'est notre nature, nous sommes citoyens marins, soldats et aviateurs qui répondent à l'appel et retournent à la vie civile dès que la bataille est gagnée. Ce trait se vérifie dans notre histoire militaire.

La détermination des membres de la Légion royale canadienne à perpétuer la tradition du souvenir en l'honneur de leurs camarades tombés au combat se reflète dans le nombre de cenotaphes qui ont été construits à travers le pays. Ils sont retrouvés en évidence positionnés dans presque toutes les villes et villages au Canada. Le 11 novembre de chaque année, ils deviennent le centre d'attention de la communauté pour les services commémoratifs qui commémorent les citoyens qui ont répondu à l'appel aux armes afin que d'autres puissent vivre en paix et en liberté. Les autres 364 jours, ces monuments sont silencieux – un rappel de ceux qui ont donné leur vie pour notre liberté.

Ce " Livret reconnaissant le Service militaire " reflète les souvenirs de ceux qui ont fait le sacrifice ultime et de ceux qui servent encore aujourd'hui. Les revenus générés par cette brochure assureront la continuité de nombreux programmes de Légion pour anciens Combattants, la Jeunesse et les Aînés.

Un grand merci aux Filiales participantes et aux familles pour avoir fourni les images dans cette brochure et merci à l'équipe de Fenety Marketing pour un excellent travail.

The uniform insignia and the battle equipment may have been different, yet the reason for being there was the same. One soldier fought and sacrificed life and limb so that peace may be protected and regained, the other soldier stood to bring a coffee, a writing pad, the essentials of hope and peace in the chaos of war. One soldier went to the front to face the worst of the worst, the other came as close as possible to serve those who served their country. With great admiration for those who fell, and for those who came back, The Salvation Army salutes and gives thanks for freedom gained at such a price. As an international movement The Salvation Army is honoured to serve “Soldier To Soldier”.

*“Your Needs Are Our Business”*

### *Fallen Soldier*

I am a Soldier each day when I rise.  
To the sound of the bugle crying to the sky.

On a military jet and sent back to my homeland shore.  
To serve as a soldier no more.

I am a soldier a person of courage, purpose and respect.  
Ready to serve for my country no matter how hard or long will  
be the trek.

I will be rendered to my family with regrets.  
With respect from my commanding officer to be laid to  
rest.

I am a soldier I took an oath.  
To protect my country and comrades from coast to coast.

In my quiet country side Canada north, east, south and  
west.

I was a soldier I did my best.

I am a soldier even if it means death.  
I will lay down my life to protect all the rest.

Please keep respect for all of the rest.  
Who serve and obey the commanding quest.

I was a soldier but not anymore.  
I lost my life on the Afghanistan shore.

To keep the world a safer place.  
And respect all of our human race.

I will be honored by the code of command.  
Carried and placed in my comrades hands.

## ***FOR THE FALLEN***

---

With proud thanksgiving, a mother for her children,  
England mourns for her dead across the sea.  
Flesh of her flesh they were, spirit of her spirit,  
Fallen in the cause of the free.

Solemn the drums thrill: Death august and royal  
Sings sorrow up into immortal spheres.  
There is a music in the midst of desolation  
And a glory that shines upon our tears.

They went with songs to the battle, they were young,  
Straight of limb, true of eye, steady and aglow.  
They were staunch to the end against odds encountered:  
They fell with their faces to the foe.

They shall grow not old, as we that are left grow old:  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them.

They mingle not with their laughing comrades again;  
They sit no more at familiar tables at home;  
They have no lot in our labour of the day-time;  
They sleep beyond England's foam.

But where our desires are and our hopes profound,  
Felt as a well-spring that is hidden from sight,  
To the innermost heart of their own land they are known  
As the stars are known to the Night;

As the stars that shall be bright when we are dust,  
Moving in marches upon the heavenly plain;  
As the stars are starry in the time of our darkness,  
To the end, to the end they remain.

## ***NOVEMBER ELEVENTH***

---

This is the day when around the world  
Flags of all Nations are unfurled,  
And wreaths of poppies will be laid  
In memory of the price they paid.

Let us remember – gathered here  
Those relatives and loved ones dear,  
Who suffering hardships and sorrow  
For our today – gave their tomorrow.

The benefits for which they fought  
And with their lives so dearly bought,  
Are ours today – and Oh the shame  
Should we forget from whence they came.

So in the silence when you pray  
For those who helped that price to pay,  
Remember also if you will  
Those who disabled – live on still.

For theirs is not a happy lot,  
They can't enjoy the peace they bought,  
But still they labor as they can  
To prove that they are – still a Man.

By giving you this flower of France  
These men are giving you a chance,  
To show that you remember too  
Those men who gave their all for you.

In view of what they've done for you  
Have you then to these men be true?  
Your contribution ere you go  
Should be in the line with what you owe.

**Richard B. Jamer**

## IN FLANDERS FIELDS

In Flanders Fields the poppies blow\*\*  
 Between the crosses row on row,  
 That mark our place; and in the sky  
 The larks, still bravely singing, fly  
 Scarce heard amid the guns below.

We are the Dead. Short days ago  
 We lived, felt dawn, saw sunset glow,  
 Loved and were loved, and now we lie  
 In Flanders Fields.

Take up our quarrel with the foe:  
 To you from failing hands we throw  
 The torch; be yours to hold it high.  
 If ye break faith with us who die  
 We shall not sleep, though poppies grow  
 In Flanders Fields.

### Lieutenant Colonel John McCrae

MD (1872-1918), Canadian Army

"In Flanders Fields," was written by Canadian physician and Lieutenant Colonel John McCrae while fighting in World War I shortly after presiding over the funeral of a friend killed in battle. The poem was published in 1915 and put to music in 1917, one year before Col McCrae died. The poppies referred to in the song are of the flowers growing wild on top of the hastily made cemeteries for the soldiers in the Flanders region between France and Belgium.

\*\*Many believe the original poem was written "In Flanders fields the poppies grow", but most people know this line as "In Flanders fields the poppies blow". On the Canadian ten dollar bill, the first few lines of the poem are written in small print. It was first printed as "poppies blow", but a few years after discovering the mistake, it was changed to "poppies grow". In recent years it has been argued that the validity of this mistake is unfounded and it has since been changed back to "as poppies blow". Despite the disagreements, few would argue that this poem is the most recognized and celebrated war memorial poem ever written.

## REMEMBRANCE DAY

For our King and our Country and the promise of glory  
We came from Kingston and Brighton to fight on the front line

Just lads from the farms and boys from the cities  
Not meant to be soldiers we lay in the trenches

We'd face the fighting with a smile - or so we said  
If only we had known what danger lay ahead

The sky turned to grey as we went into battle  
On the fields of Europe young men were fallin'

I'll be back for you someday - it won't be long  
If I can just hold on 'til this bloody war is over

The guns will be silent on *Remembrance Day*  
There'll be no more fighting on *Remembrance Day*

By October of 18 Cambrai had fallen  
Soon the war would be over and we'd be returnin'

Don't forget me while I'm gone far away  
Well it won't be long 'till I'm back there in your arms again

One day soon - I don't know when  
You know we'll all be free and the bells of peace will ring again

The time will come for you and me  
We'll be goin' home when this bloody war is ended

The guns will be silent on *Remembrance Day*  
We'll all say a prayer on *Remembrance Day*

On Remembrance Day - say a little prayer  
On Remembrance Day

Well the guns will be silent  
oh There'll be no more fighting  
we'll lay down our weapons  
On *Remembrance Day*

Lyrics by Bryan Adams

## MILITARY SERVICE RECOGNITION BOOK

This annual publication will help identify and recognize many of the brave New Brunswickers who served our Country so well in the past three major world conflicts and more recent conflicts, including Afghanistan.

Proceeds from this project are used by the New Brunswick Command Legion to support New Brunswick's Veterans and our many community activities, including Scholarships, Cadets, Youth Leadership Camp and Track and Field.

A provincial telephone appeal is now underway to private citizens and business community members throughout New Brunswick to generate support for this important project of the New Brunswick Command Legion.

For further information, please contact the New Brunswick Command Office at 1-866-320-VETS (8387).

Cette publication annuelle vise à identifier et à reconnaître les braves Néo-Brunswickois qui ont si bien servi notre pays lors des trois derniers conflits mondiaux et des conflits plus récents comme celui en Afghanistan.

Les bénéfices réalisés par ce projet viennent en aide aux anciens combattants du Nouveau-Brunswick et aux nombreux programmes communautaires de la Direction provinciale de la Légion, y compris des bourses d'études, les corps de cadets, les camps en leadership et le programme de piste et pelouse.

Un appel de fonds téléphonique est présentement en cours demandant le soutien des particuliers et des entreprises partout au Nouveau-Brunswick à ce projet important de la Direction Nouveau-Brunswick de la Légion.

Pour de plus amples renseignements, ou pour soumettre l'histoire d'un vétéran, veuillez prendre contact avec le bureau de la Direction N.-B. en composant le 1-866-320-VETS (8387).
